Chrome Hanging Peg (each)	SAXHHPC	£21.00	£25.20

# ACCESSORIES - ELEMENTS

There are two types of element you can use with your towel rail; manual electric element and thermostatic electric element. Use a T-Piece to enable the towel rail to be dual fuel - electric and hot water/

### Chrome Round Head Manual Electric Element

The manual electric element has basic functionality, it maintains a constant heat and is either on or off. Control is via a switched fused spur, the neon light indicates if the element is on.

### Chrome Round Thermostatic Electric Element

The thermostatic electric element monitors the temperature of the towel rail and activates the element as required. It has a range of set temperature options which can be selected manually.

### How to choose your Element

It is important to select the correct size element for your towel rail. Too small and it will not provide enough heat, too large and it can burn out.

The chart opposite will help you choose the right size element; we have listed the towel rail output in watts and the corresponding recommended size of element.

Towel Rail output range in Watts	Electric Elements
165 - 255	200w
260 - 375	300w
380 - 530	400w
535 - 735	600w
740 - 920	800w
920 - 1100	1000w

## ELECTRIC ELEMENTS

Description	Manual / Thermostatic	Output	IP Rating	Product Code	Price Ex VAT	Price Inc VAT
White Round Head Electric Element	Manual	200, 300, 400, 600, 800 & 1000 watts	IP 55	ROUELEW	£66.00	£79.20
Chrome Round Head Electric Element		200, 300, 400, 600, 800 & 1000 watts	IP 55	ROUELEC	£71.00	£85.20
